Cavalier
1971

Volume XXVIII

We the annual staff of 1970-71 have captured the year in a book of pictures and writing - you the people must add the life, the feeling and the stirring of your memory. And although another school year has ended, the friends we've made, the things we've learned, and the memories of the good times we've shared, will remain with us in all that we do in future years.

It is with great pride and self satisfaction then, that we present your 1971 Cavalier as a final testimony of our fulfillment.

The halls of CHS witnessed many accomplishments this year, which were due largely in part to the Seniors of '71. An example of one such accomplishment was "project clean-up," which consisted of cleaning the entire school on successive Saturday mornings. Many thanks to the graduating seniors.

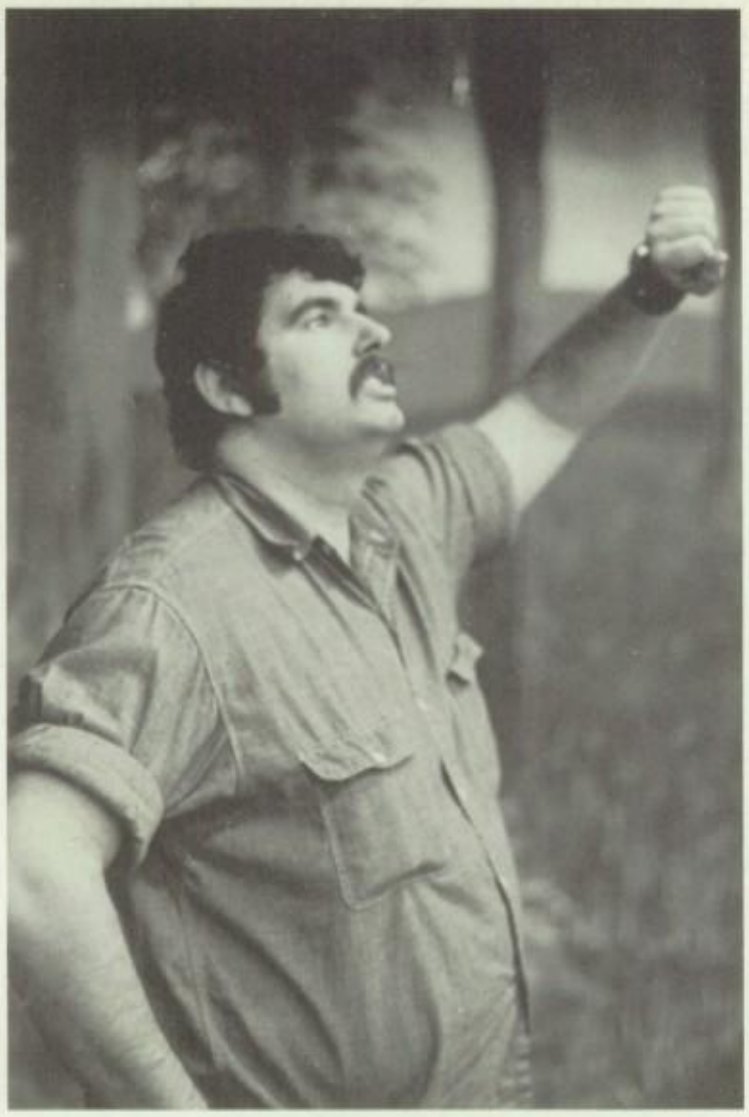
Mr. Smith



Mr. Myers

At this time, we feel it quite appropriate to say a big "Thank You" to Mr. Dick Smith and Mr. Greg Myers for their help and guidance as the advisors of the graduating class of 1971.

Three years ago Mr. Smith came to Coldwater and has acted as co-director and set designer for the past three musicals, "So This Is Paris," "Oliver," and this year's "Camelot." He has also aided us with the layouts of pages in this book.

In the fall of 1969, Mr. Myers joined our staff. He directed the successful production and first real "drama" in Coldwater, "The Miracle Worker." This started interest flowing and continued through the drama club by the productions of "Oliver," "The Merchant of Venice," "The Lark," "Camelot," and the three one-act plays of this spring.

Together they co-ordinated and advised us in our choosing of our prom theme, the decorating, and the dismantling of the "Age of Aquarius" in 1970.

Now we dedicate this page to them for the help they have given us, but much more than this, we thank them for the pride they've bestowed in us as a class which has learned to work together.

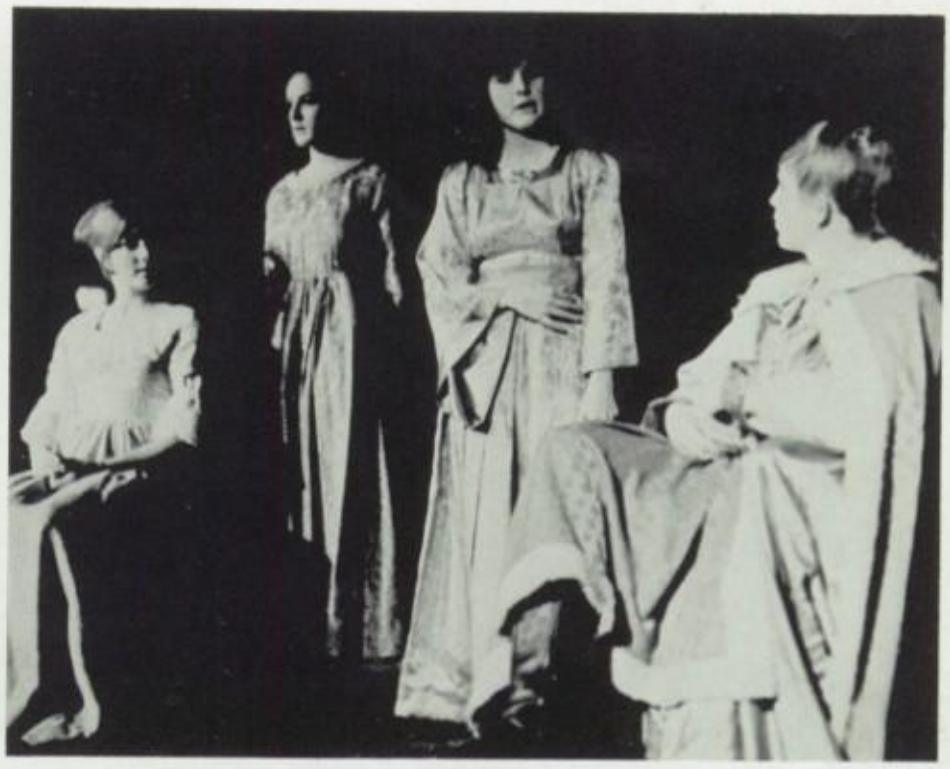
The Lark by: Jean Anouilh

"Some people like to make a little garden out of life and walk down a path.

"He hurt you bad?"

"Where is this idea you said I had?"

"Our poor honor demanded that we fight for our beliefs."



"What do you want? I'm a very busy man. It's time for my milk."

"And the time will come when our names will be known only for what we did to her."

The Lark, unlike many religious plays, gives a realistic view of life. In this case, the life of Saint Joan. Through simple faith and truth, she was able to overcome the problems she encountered in attempting to save France, until she came face to face with Political and Religious corruption.

"The objective of any organization is to be successful - and to be so, hard work, participation, and co-operation must be obviously evident. And, also, while work and practice is so important to our choral organization, enjoyment and entertainment is important in obtaining success.

Chorus can be compared to a small social community - many individuals all working together as "one" for that final and ultimate goal - success. Actually belonging to Choral groups is a lesson of life - belonging and working together teaches young folk to belong and work together when they are adults.

Much thanks and gratitude must be shown to the senior students who have worked so hard, and have shown much leadership, to make our chorus work enjoyable and successful for the past three years."

Voice of Democracy

Freedom, the ability to do what we believe is fair and just without undue hindrance or restraint, is truly our heritage. It has been handed down in many forms from generation to generation for two thousand years. Although freedom has changed in various ways and manners during this time, it is basically the same quality and virtue of faith in ourselves, one another, and God.

... However, in 1914, the freedom of all people began to diminish. The German Nazi's enslaved whole countries, controlling over one-third of the people in the world. These and other factors, therefore, added to the insecurity of the individual freedoms of the people of Western Europe and America. But, the real causes for this decline in freedom hit closer to home. The people don't understand the sources of freedom. They don't appreciate their religious, moral, and historical roots. Their lack of respect for order, justice, and sound authority work to diminish the freedom that is our heritage.

The year brought a large measure of success to Coldwater High's Science Dept. Five projects were entered in the local science fair, from which three advanced to the district fair, and two to the State Science Day. The Chemistry Bowl Team advanced through that tournament and met defeat in the tourney finals against Lima Senior High. These are but two of the many scientific triumphs in 1971.

Free Throw Champs

Linda Buening
Romie Schwieterman

Last March, the annual free throw and ping pong championships were held.

The free throw contest was required of all freshmen and sophomores and was optional for upperclassmen. Romie Schwieterman topped the boys, netting 23 of 25. The girls' champion for 1971 is Linda Buening who potted 18 of 25. Congratulations to both of these fine hot shots!

The ping pong tournament was held during noon hour for a period of two weeks. Double elimination was set, and as the pongers were thinned, the competition grew rougher. It was narrowed to a select two of each division, Mary Lou Giere and Deb Boeckman and Terry Muhlenkamp and Denny Gaerke. In the best of three games, it ended with Deb and Denny on top. Congratulations!

Intramural Champs

The boys intramural championship game was held on Weds. March 10, as the Mud Hens romped to a 42-34 victory over the previously No. 1 ranked and undefeated Feats.

A fantastic game was played by the Mud Hens beginning with a 1-3-1 zone defense which kept the Feats disorganized most of the first half. Joe Weigel and Rob Gross potted baskets giving them an early lead of 4-1 which was increased to 5 by half time.

The second half was all Mud Hens as they switched their zone to 2-1-2 and completely outplayed the Feats. Jeff Hasenjager sunk three straight from outside and put this team up by 11, then coasted to the final score.

Congratulations Guys!

On Thurs. March 11, the drawing of the four final teams was held. The results were Toys Jr. against Little Green Apples with the finals of this game 27-18 in favor of the Apples. Next, it paired the Top Ten against the Yuck-a-Pucks. The Top Ten pulled it out 14-12.

The championship game now pitted the highly favored Little Green Apples against the more popular Top Ten. It was close through the first half and a continual battle for the lead. In the fourth quarter the Apples poured it on and pulled out a 23-15 championship, thus upholding the Senior name.

Congratulations Apples!

Volleyball Champs

D. Wendel, J. Muhlenkamp, P. Laloge, J. Muhlenkamp, J. Laux, M. Bruggeman.

The girls volleyball tournament final began Fri., Jan. 29 with the first of three games slated between Barb Benner's team, Big Mama and the Spikers, under the direction of Coach Sue Gross, and Janice Laux's team, the defending champs of two years - the invincible St. Anthony Girls.

In the first game the Spikers decisively defeated the Laux team with a lopsided score of 15-3. But the Padua People made a come back the next Tues. to turn it into another third game battle for championship between these two teams for the third straight year with a victory of 15-3.

The last and deciding game was held Wed. Feb. 3 to determine the best. St. Anthony took a large early lead but the Spikers came charging back to tie it at 13-up. At the final gun it had ended 16-14 with the St. Anthony Senior Girls once again on top!

Congratulations Padua!

R. Vogel, G. Knapke, R. Schwieterman, F. Dobmeyer, J. Weigel, T. Stammen, D. Geise, J. Moeder.

On Fri., Jan. 29 the boys volleyball championships were played as Romie Schwieterman's team took on the highly favored St. Anthony team. Schwieterman's team shocked St. Anthony 15-13. The second game St. Anthony pulled it out 15-10 and evened it at one apiece.

In the third and final game they battled back and forth to a 12-up score. The next day with play resumed St. Anthony jumped to an early 18-14 lead. But rallying, the Jr. boys ripped off seven straight points to stun St. Anthony with a 21-18 victory.

Congratulations Guys!

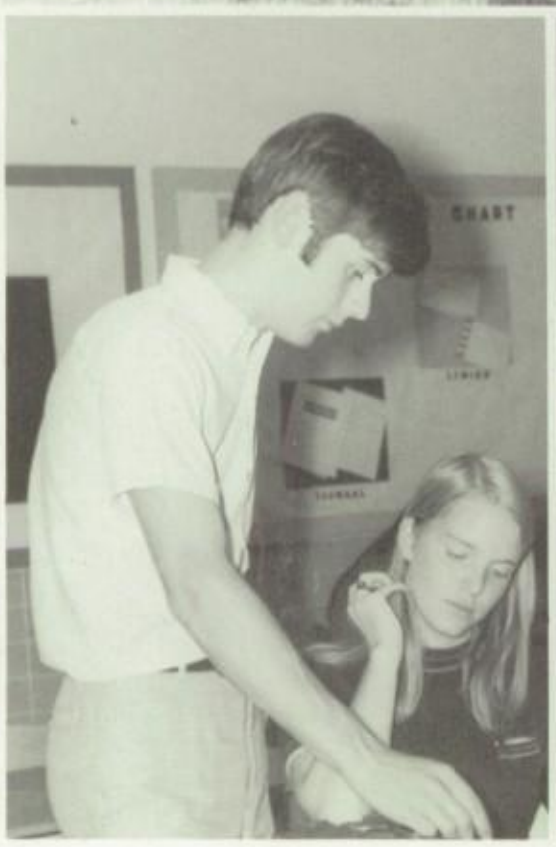
Annual Staff



Co-Editors: Barb Benner, Chuck Gross

The yearbook staff, at this time, would like to thank all who helped us in the completion of this book. To Mr. Baird, our good friend and photographer, who patiently put up with our scatter-brained ideas and schedules, to the administration, who was very cooperative with us when disrupting their classes, to Mr. Ken Braun who very graciously gave his time to help us with pictures that had to be retaken, to Mr. Joe Bidinger, who gave us the beautiful pictures of our plays and musical, and to Miss Petrey who we've enjoyed working with the past year, even when she bothered us about lay-outs and such, we knew she meant well, to these people we extend our deepest thanks.

There had been times, especially at the beginning, that we would have liked to dump the whole mess and just forget it. But knowing we were responsible for a job people had entrusted to us, we trudged on and managed to capture an entire year in pictures and print. In spite of late hours, cold dinners, numerous demands on time, and too too many headaches and worries, we are very proud of our work and only hope that you share a little of our pride for "your yearbook."

A person is not a person until he has embraced many different parts of life. Perhaps the most valuable part is the education of a mind, the discipline and leadership of a being, the development of a self-made thought. The strong character of a Coldwater student shows itself daily, in the class room.

The week before the traditional rival game with Celina, is designated 'BEAT CELINA' week. It's the very drive of a tremendous spirit, a spirit that's been developing little by little since the first days of school. This spirit envelopes each student and extends through them into every part of their life. It begins with the pep rally ...

Sylvia Mesa

In January of this year, another "first" was added to the history of our school. Sylvia Mesa, a foreign exchange student from Chile, came to Coldwater for a two month visit at the home of Dr. and Mrs. Slavik, Gwen, and Bruce.

We trust that her stay was as enjoyable for her as it was for all of us. And with the new things she experienced, the friends she made, and the slang language she learned, we hope there might begin a lasting friendship between the two nations. So in ending, we'll just say OK, and RIGHT ON!

(Right Sylvia?)

This page is almost completely self-explanatory. It shows events that have happened during the school year just as they always have. But one thing must be explained. In December with the backing of the cheerleaders and interested fans, a pep club was started. Elections were held and through the efforts of its officers, Pres. - Pam Braun, Vice-Pres. - Barb Benner, Sec. - Pam Noll, and Treas. - Marian Braun, and its loyal members it proved to be a great success.
